## PLANTS

<p>A drawing of a plant I like. Name:</p>	<p>A description of a plant I like (colour, size, shape, texture, features)</p>
---	---

<p>A drawing of a plant I like. Name:</p>	<p>A description of a plant I like (colour, size, shape, texture, features)</p>
---	---

## Garden Choices

Having visited the botanic gardens, which garden or environment did you enjoy?

Which environment or garden do you prefer?

Give three reasons for your choice.

I prefer ....

Because....

1.

2.

3.

**DRAW 4 DIFFERENT PLANTS** to show variation of leaf shape and texture.

**Label or annotate**

# RAINFOREST

# Plant Information

## Drawing of plant

### Describe the plant

The leaves are (size: large, small, medium, compare to your hand)

Describe the shape of the leaves (long and wide, broad and small)

At what height are they situated? (on the ground, high up)

What do you like about them?

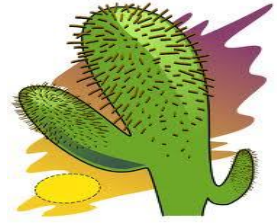

What helps them to survive in this environment?

Plants Functions ~ What do they do?

# DESERT GARDEN.

DRAW 4 DIFFERENT PLANTS to show variation of leaf shape and texture.

Label or annotate .

# PLANT DETECTIVE

Can you find these plants in the Desert garden?

1.

2.

3.

4.

5.

6.
